Fasten off, leaving long end. This is used to secure the 'peas in the pod' and to attach Key Ring.

To make up:

- Sew the faces onto the peas using the beads and thread. I have sewn them on the side rather than the ends.
- Place 'peas' inside the case and use the long end of case thread to tack the peas to the side of the case. I have sewn them side by side, but they could also be head-to-toe!
- Use the remainder of the thread to sew on the keyring.
